Thank you for choosing Consumer Opinion Services for your facility needs in Seattle; we do look forward to working with you on your upcoming project.

If you are traveling to the Seattle area as part of your project, please consider the following hotel options. We have listed hotel options that are central in Downtown Seattle, close to restaurants and entertainment. Both of our Seattle locations are also nearby; Northpointe is a short taxi ride away, and Downtown Focus is quick taxi ride (or quick walk, weather depending) away as well.

Again, thank you for choosing Consumer Opinion Services; please feel free to contact us with questions or concerns you may have.

Sincerely,
Jerry Carter,
